

A GRIPPING AND AUTHENTIC IRISH NOVEL

NO ANTI-IRISH CATHOLIC STEREOTYPES HERE!

Mac Ireland is the real deal – an authentic Irish rebel in the tradition of The Fenians and the men of the 1916 Easter Rising.

Mac Ireland as a young idealistic Irish patriot sets out in the 1970s to drive England out of Ireland but quickly realizes he has to first drive British agents out of the IRA.

The action-packed plot is brilliantly creative, with a theme that has not been touched on before: Mac Ireland hunts down British agents inside the IRA with the help of a Northern Ireland Protestant detective, whose son is killed by agents of The Crown, and a Southern Irish detective, who is outraged by how the Dublin Government has sold-out to the British Government.

Mac Ireland is a man of action but, also, a man of learning. When not fighting the British Army or hunting down Irish traitors, he expounds on England's imperialism, Catholicism, Palestine, Zionism and American foreign policy.

This is a riveting read – the first in a series – and Mac Ireland will surely become your favorite Irish hero.

MAC IRELAND

Fight For Irish Freedom

BOOK ONE

The IRA hero set out in the 1970s to drive England out of Ireland, but quickly realizes he would first have to drive British agents out of the IRA.
